Kit	Part number
1.5" complete discharge kit hose type	470W214183
1.5" complete discharge kit BSP thread	470W214184
1.5" complete discharge kit NPT thread	470W214185
2" complete discharge kit hose type	470W214251
2" complete discharge kit BSP thread	470W214280
2" complete discharge kit NPT thread	470W214489
3" complete discharge kit hose type	470W203562
3" complete discharge kit BSP thread	470W203484
3" complete discharge kit NPT thread	470W203570
4" complete discharge kit hose type	470W203564
4" complete discharge kit BSP thread	470W203482
4" complete discharge kit NPT thread	470W203572
6" complete discharge kit hose type	470W283166
6" complete discharge kit BSP thread	470W283176
6" complete discharge kit NPT thread	470W283168
10" complete discharge kit hose type	470W494102
10" complete discharge kit BSP thread	470W494103
10" complete discharge kit NPT thread	470W494104
To prevent water running back when pump is turned off	
Non-return valve 4"	470W209750
Non-return valve 6"	470W209751
For pumping low level water	
Low suction collar for WEDA 10	470W214800
Low suction collar for WEDA 30 and 40	470W224848
Serial coupling	
Serial coupling for WEDA 50N and 60N	470W253205

Float switch for local assembly

Kit	Part number
Kit for WEDA 10, 30, 40, 50, 60, 70 and 90	470W214842
